traffic mania

STRATEGY. CONTENT. DIGITAL.

COMMERCIAL OFFER / UKRAINE AND EUROPE

Marketing that connects attention with action.

Traffic Mania is a team of 3-4 specialists. We connect advertising, content and digital tools into a clear journey from discovering your brand to making an enquiry. For businesses in Ukraine, Poland, Czechia and Lithuania.

WHAT WE CAN CREATE FOR YOUR BUSINESS

01 / Advertising

Audience research, campaign offers, ad setup, creative assets, enquiry tracking, testing and optimisation.

02 / Social media and AI

Profile design and management, live-action and AI content, content funnels, nurturing sequences, calls to action and enquiry analytics.

03 / Telegram bots

Conversation flows, quizzes, lead capture and qualification, automated sequences and CRM integrations.

04 / Websites and CRM

Landing and pre-landing pages, brochure websites: structure, design, development, domain connection, forms, CRM and an administration panel.

05 / Audio production

Voice recording, editing, noise removal, sound correction, mixing and delivery in the formats your project needs.

06 / Creative assets and UGC

Concepts, advertising messages, scripts, static design, video creation and editing, and adaptations for selected platforms.

THREE WAYS TO WORK TOGETHER

Launch

Shape the offer, prepare the website and content, run initial ad tests.

Grow

Strengthen existing marketing, refresh creative assets and test ideas.

Automate

Connect the website, bot and CRM into a clear enquiry-handling journey.

HOW WE START

Understand your business and goal, define the scope, agree milestones, timing, cost and relevant performance measures. Start with one service or combine several into a solution for your business.

Tell us about your business, market and next goal.

We will identify the tools needed for the next step.
